The diagram shows a rectangular plate with a central rectangular cutout. A red dot is positioned in the center of the cutout. The plate is framed by three lines: an outer blue line (Bleed), a middle red line (Safety), and an inner green line (Trim). The corners of the inner green line are rounded. The text 'Center Drill Back' is centered on the plate. Below it is the logo for 'lbf group' and the website 'www.lbfgroup.ca'. At the bottom, the terms 'Safety', 'Trim', and 'Bleed' are listed vertically, with 'Safety' in green, 'Trim' in red, and 'Bleed' in blue. Below these terms is the phrase 'with Round Corner Options' in green.
