Trim

Bleed

with Round Corner Options

The diagram shows a square layout with three nested borders: an inner green line, a middle red line, and an outer blue line. A red circle is centered in the space between the green and red lines. The text is positioned between the green and red lines, with the 'Safety' text above the 'Trim' text. The 'Bleed' text is located below the 'Trim' text. The title 'Center Drill Back' is centered below the 'Trim' text. The labels 'Safety', 'Trim', and 'Bleed' are positioned at the bottom of the diagram, with lines pointing to their respective borders.

Safety: No TEXT beyond this line.

Trim: Final trim size ordered.

Bleed: To ensure ink coverage goes to the very edge of the product, make certain to extend any graphics/artwork past the **Trim** to the **Bleed** line.
