with Round Corner Options

The diagram shows a rectangular card layout with three distinct borders: an outer blue border, a middle red border, and an inner green border. The green border follows the shape of the card, which has a notch on the right side. A red circle is positioned in the top right corner of the green border. The text 'Left Drill Back' is centered in the white space. Below it is the logo for 'lbf group' and the website 'www.lbfgroup.ca'. At the bottom, the terms 'Safety', 'Trim', and 'Bleed' are listed vertically, with 'Safety' in green, 'Trim' in red, and 'Bleed' in blue. The phrase 'with Round Corner Options' is written in green at the very bottom.

with Round Corner Options

The diagram shows a rectangular template for a center drill back. It features a central red dot representing the drill hole. The template is bounded by three lines: an outer blue line for the bleed area, a middle red line for the safety area, and an inner green line for the trim area. The corners are rounded, and there is a rectangular notch at the top center.

The diagram shows a rectangular page layout. A blue border represents the 'Bleed' area. Inside it, a red border represents the 'Safety' area. Within the red border, there is a green border representing the 'Trim' area. A red circle is positioned in the top-left corner of the red border. A large, irregular shape is defined by the green border, representing the main content area. The text 'Right Drill Back' is centered in the white space. Below it is the logo for 'lbf group' and the website 'www.lbfgroup.ca'. At the bottom, the text 'Safety Trim Bleed' is written in green, blue, and red respectively, with lines pointing to the corresponding borders. Below that, the text 'with Round Corner Options' is written in green.
