A diagram illustrating the layout of a page with various safety and trim lines. A blue outer border represents the bleed area. Inside it, a red border represents the trim area. A green border represents the safety area. The safety area contains a red dot in the top-left corner and a large white rectangular area with rounded corners. The text 'Right Drill Back' is centered in the white area. Below it is the 'lbf group' logo and the website 'www.lbfgroup.ca'. At the bottom, the text 'Safety Trim Bleed' is written in green, red, and blue respectively, with lines pointing to the corresponding borders. Below that, the text 'with Round Corner Options' is written in green.
