The diagram shows a rectangular card layout with a blue outer border representing the bleed area. Inside this is a red border representing the trim area. Within the red border is a green border representing the safety area. The green border follows the shape of the card, which has a notch on the right side. A red circle is positioned in the upper right corner of the green safety area. The text 'Left Drill Back' is centered in the white area. Below it is the logo for 'lbf group' and the website 'www.lbfgroup.ca'. At the bottom, the terms 'Safety', 'Trim', and 'Bleed' are listed with lines pointing to their respective border areas.
